PETITION UNDER 37 C.F.R. SEC. 1.137(b)
TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION

Commissioner of Patents
P. O. Box 1450
Mail Stop: Petitions
Arlington, VA 22313-1450

Sir:

Applicant having petitioned the Commissioner under date of April 21, 2003, which Petition apparently was misplaced at the Patent Office (having sent the same via Express Mail No. EV 226918728US, accompanied by a postcard which has been received back with the Patent Office mail receipt of April 22, 2003), since, upon several inquiries the Petitions office does not have the same in their records. We enclose herewith copies of said Petition, stamped postcard and Express Mail receipt all clearly showing receipt in the Patent and Trademark Office under date of April 22, 2003.

Applicant hereby, again, petitions the Commissioner to revive the above-identified application as a pending application and send to us the before requested Notice to File Corrected Application Papers, allegedly sent. The abandonment of the application was unintentional.

The Commissioner is hereby authorized to charge the petition fee and any additional fees that may be required in this connection to the deposit account No. 18-1425 of the undersigned attorneys.

Sir:

Applicant hereby petitions the Commissioner to revive the above-identified application as a pending application. Applicant hereby also requests a copy of said notice in order to respond to the same. The abandonment of the application was unintentional.

The Commissioner is hereby authorized to charge the petition fee and any additional fees that may be required in this connection to the deposit account No. 18-1425 of the undersigned attorneys.
